

Giving in Memory of Mr. Walter Scott

Walter Scott was a long-term champion of access to quality healthcare for all, with an emphasis on serving the low income and underinsured residents of San Diego County. For almost 40 years, Mr. Scott served as a valued member of the Board of Directors at Family Health Centers of San Diego. As a native San Diegan, growing up in an economically disadvantaged community in Southeast San Diego, his voice was instrumental in the expansion of our services. He was especially proud to host the opening of FHCSD’s newest clinic, the Diamond Neighborhoods Family Health Center, located not far from his childhood home. He loved advocating for underinsured and underserved people and brought many friends and colleagues into helping this cause. Should you wish to continue Walter’s legacy through a donation to Family Health Centers of San Diego, below are instructions to facilitate that gift. Walter’s family will be informed that you continued his work with your support.

About FHCSD

For over 50 years, Family Health Centers of San Diego (FHCSD) has tirelessly provided compassionate, high-quality healthcare and supportive services to uninsured, low-income, and medically underserved individuals. Operating 90 sites across San Diego County, including primary care, behavioral health, dental, vision clinics, and more, FHCSD serves over 227,000 patients annually, making it one of the nation’s largest FQHCs and a leading provider of comprehensive healthcare to the uninsured in the county.
