

FAMILY HEALTH CENTERS
OF SAN DIEGO

COMING SOON!

Family Health Centers of San Diego (FHCS) is excited to announce our Health Information Technology Education and Career (HITEC) Center. This new, sophisticated facility houses our IT staff and administrative departments.

5160 Federal Blvd., San Diego CA 92105

For questions about this facility, please call **(619) 515-2300**.

Oak Park Family Health Center

In January 2016, a primary care clinic for adults and children will open at this site.

FHCS Workforce Development Program

As the health care sector of the economy continually grows and changes, FHCS is planning workforce training and apprenticeship opportunities at HITEC to help develop the skills of individuals seeking employment in health care – both at FHCS and beyond.
